## GREEK FRONTIERS “WATCH-DOG” ISSUE

By PIERRE J. HUSS  
(I. N. S. Staff Correspondent)

LAKE SUCCESS, N. Y., May 23.—The United Nations calmly awaited a test of its strength today by Soviet Russia's Balkan satellites on continued surveillance of the Greek frontiers.

Under a ruling by the Security Council after an all-day battle which lasted until eight p. m. last night, the three Soviet-dominated neighbors of Greece are obligated now to recognize the subsidiary Balkan “watch-dog” group.

### Serious Consequences

U. S. Delegate Herschel V. Johnson and some other Council members pointed out at the end of the controversial session that continued refusal by Yugoslavia, Albania or Bulgaria to co-operate with the U. N. border mission would lead to serious consequences.

In Johnson's opinion, the penalty for Yugoslavia as U. N. member for disobeying would be her outlawing from the United Nations while the latter's doors would permanently close to offending candidates like Albania and Bulgaria.

Soviet Delegate Andrei Gromyko implied that Russia sees no reason to assume that a decision on the validity of the subsidiary group has been reached by the Council. His

**Fred Waring  
Has Complaint  
On Juke Boxes**

WASHINGTON, May 23.—(INS)—Band Leader Fred Waring appeared before a congressional committee today with a complaint against the American juke box.

Waring testified before a house judiciary subcommittee in behalf of legislation which would allow U. S. performers to obtain copyright control over the playing of their records in juke boxes.

Under present copyright law, “the reproduction of a musical composition, or upon, coin-operated machines shall not be deemed a public performance for profit.”

Waring contended that the law, which disallows copyrighting of individual arrangements and styles, excludes the performer from obtaining any benefits from the widespread playing of records on the nickel machine.

He said the exclusion constituted a denial of the simple rights of property and livelihood.”

## Vote On Labor Bill Will Come Next Week

By FRANK B. ALLEN  
(I. N. S. Staff Correspondent)

WASHINGTON, May 23.—House conferees on labor legislation continue to fall in line with the milder Senate bill today despite protests that their “yielding” was “overemphatic”.

Their flurry of “resistance” faded and Sen. Taft (R) Taft Ohio, chairman, renewed his earlier hopes that the way would be cleared today for preparation of a tentative bill on which to begin voting Tuesday. There will be no meeting Monday.

There were renewed indications that the compromise measure will be largely the Senate bill—which House conferees once predicted

## Will Blacktop Pulaski Road

Dirt Road Past King's  
Chapel To Pulaski To Be  
Improved

## WILL GIVE DIRECT ROUTE TO PULASKI

Funds have been released in Har-  
risburg and allocated to the Law-  
rence County Department of the  
Pennsylvania Highway System for  
the construction of a new section of  
road northwest of the city leading  
into Pulaski.

The work, which will involve the  
laying of 6,666 miles of blacktop  
will begin approximately one  
mile north-west of the city limits on  
Route .038. The road is at pres-  
ent a dirt one, and has been com-  
monly known as “the backroad to  
Pulaski by motorists. It leads past  
Kings Chapel church and the Greer  
Farms, and will provide a smooth  
shortcut for motorists traveling to  
West Middlesex from this city.

To Be 16 Feet Wide

According to Alfred Martin,  
County Highway Superintendent, the  
road is to be 16 feet wide and of  
the flexible type. The work, which  
is to be started within ten days,  
will be done entirely by mainte-  
nance crews of the local depart-  
ment.

A number of projects are present-  
ly being carried out by the local  
department including the construc-  
tion of new walls for the under-  
pass on Route 18, near Moravia. The  
concrete has already been laid on  
the project and the fill behind the  
wall will be placed shortly. Two  
way traffic is being maintained at  
the point.

The surface treatment program of  
the department has gotten under-  
way and the men are working on  
Route .0341 in the western sec-  
tions of the county. The white line  
work has been delayed until Mon-  
day, due to the late arrival of the  
machine which will do the work.

## TO HELP REBUILD FRENCH INDUSTRY

PITTSBURGH, May 23.—(INS)—

President Truman sent a special  
message to Congress today asking a  
one year extension of the Second  
War Powers Act in limited form so  
the government can control certain  
specific imports and exports.

The President said that alloca-  
tion and priority powers are “needed  
to carry out our foreign policy and  
to help in world reconstruction.”

Mr. Truman requested:

Authority to maintain import con-  
tracts on fats, oils, rice and rice  
products.

Priorities on the export of nitro-  
genous fertilizer materials.

Power to allocate the importation  
of tin and tin products, quinine,  
manila and agave fibres and cord-

hand.

The American military govern-  
ment told newsmen that shipments are  
at their lowest ebb but he expected a  
new trial and Marzani was con-  
fined in \$2,500 bond pending on  
sentence.

Justice Richmond B. Keech set no  
time for sentence.

The jury of six men and six women  
in Keech's U. S. district court delib-  
erated only two hours and ten  
minutes in finding the 35-year-old

## Investigation Of Steel Report Is Asked In Probe

WASHINGTON, May 23.—(INS)—A Senate small business committee was asked today to investigate a report that executives of "five big steel companies" made arrangements to split an "over-ride" fee of \$18 million dollars on the sale of 300,000 tons of sheet steel.

Charles J. Margiotti, counsel for E. A. Kerschbaumer, Pittsburgh steel broker, told the committee his client had been given this information by Herbert M. Karp of New York, who said "he would make the distribution".

The committee also heard Percy Nagle, Spanish-speaking representative of an Argentine-Chilean exporting firm, testify that Karp only yesterday contracted to sell him 195,000 tons of steel with an "override" from \$17 to \$27 per ton above mill prices.

Speaking through a state department interpreter, Nagle explained: "He charges this as what you call an 'engineering fee'."

The committee has been unable to locate Karp. Nagle said the latest contract was made "precisely yesterday at Chicago".

Margiotti said he had advised Kerschbaumer to "give the committee all the facts because I believe a situation exists which should be discussed and investigated."

## Legislation Aimed At Halting Possible New Miners' Strike

WASHINGTON, May 23.—(INS)—House and Senate conferees on labor legislation today eyed the possibility of a new coal strike July 1 and voted to make the emergency injunction provisions of their omnibus bill effective as soon as the measure is enacted.

The conferees scheduled a meeting tomorrow in the hope of winding up the draft of a tentative bill on which actual conference voting could start Tuesday.

Sen. Ball (D) Minn., said he "hoped" all disputes could be ironed out next week. Chairman Hartley (R) N. J. of the House conferees termed Ball's comment "too optimistic".

Conferees said the possibility that John L. Lewis will call another strike by his United Mine Workers after government operation of the coal mines ends June 30 was discussed as the group decided to make the emergency injunctions available the moment the act becomes law.

The emergency section would authorize the attorney general to appoint a board of inquiry and secure an injunction to stop a strike that would "imperil national health or safety."

## Urge Members To Make Reservations For G.N.C.A. Dinner

Plans for the Greater New Castle Association dinner in The Cathedral, next Tuesday evening, are complete. Executive Vice President J. C. Wachman stated today, and a large attendance is looked for.

Members are urged, however, to get their reservations in by Saturday morning, in order that the committee may know how many to prepare for.

In 1946, fungi and viruses that cause disease in plants were grown for the first time on masses of plant tissue, fed on a chemical solution.

openly and then became reluctant to concede publicly, admittedly under criticism of some of their colleagues that they were giving ground too readily on their "tougher" measure.

#### Vote Next Week

Conference members said privately that while a formal vote will not come until next week, there already is a tacit agreement to scrap such "tough" House provisions as giving private employers the direct use of injunctions and putting a ban on industry-wide bargaining.

Conferees also said privately that—as Rep. Hartley (R) N. J. commented at the outset of the conference last week—the main objective is to write a compromise bill "soft" enough to be sure of winning a two-thirds majority in the Senate to override a presidential veto.

Hartley said there was no fear of failure of the House to override the veto.

Sen. Ellender (D) La., reiterated his prediction that it will not be necessary to override a veto if a measure substantially along Senate lines is sent to the White House. He forecast flatly that President Truman will sign it.

The Louisiana Democrat predicted that, at the present rate of progress, the committee will have a finished and agreed-upon bill ready to send to the floors of the two houses next Wednesday.

### May File Claims On Parcels Lost En Route To Korea

Director of Home Service, Eastern Area headquarters, American Red Cross, announced today that post offices will accept claims covering loss or damage to 2,800 sacks of Christmas mail which was lost at sea when the vessel "Lakeland Victory" encountered a hurricane enroute to Korea last November.

The ship, carrying parcel post, magazines and newspapers (no letter mail), sailed from San Francisco November 27 and sustained severe damage in the storm, the mail cargo consequently being lost or irreparably damaged.

Post offices are permitted to accept these claims affecting military personnel packages four months after the loss has been sustained.

Persons whose packages may have been lost may apply to their local Post Office for further information if the prescribed time has elapsed.

### GREEK-TURKISH AID PROGRAM IS BEING SPEEDED

serious view of the Soviet threat to Turkey than it does of the economic and military situation in Greece.

There have been numerous Soviet sword-rattling threats toward Turkey. In the military strategic sense, the fear that Russia might take forceful action toward Turkey, has been uppermost in diplomatic thinking. This apprehension predates by months the concern over Greece.

Under the Greco-Turkish bill the Turkish army is to receive 100 million dollars in aid.

#### May Send Fifty

Previous speculation has centered on an estimate of 50 persons to be sent to Greece in the first wave of economic and military experts.

The former are to seek ways and means of restoring Greece's internal economy, improving its fiscal situation and modernizing its civil administrative setup.

The latter are to modernize the local police force and military to a point where they can maintain internal peace.

It had been anticipated that the economic studies in Greece would be undertaken first.

In this way it was hoped that delays in carrying out the 300 million dollar Greek program might be circumvented. The latest threat of delay came from Rep. Taber (R) N. Y., chairman of the powerful house appropriations committee. He declared he would demand a detailed accounting of the way the Greek funds would be spent before he would consent to vote the funds.

### Pittsburgh Girl Slugged By Gunman

PITTSBURGH, May 23.—(INS)—Pittsburgh police today sought a gunman who early this morning slugged a 17-year-old high school girl with a gun and then fled when he was unable to force her 19-year-old escort to leave the car.

Officers said the gunman, his face masked, forced his way into the car of Edith Gumbo, 17, and Howard Hart, 19, as they stopped at a restaurant en route home from a Westinghouse high school prom.

After they'd driven a mile away, he told Hart to stop, and took wrist watches from both of them. He returned them when Miss Gumbo pleaded her watch was a memento from her father, who died a year ago.

Then he told Hart to leave the car. Hart refused.

Miss Gumbo screamed and the gunman slugged her with his revolver.

He then forced both out of the car and drove away.

The car was found later two blocks away and Hart's wallet was found in the street, with the \$5 it contained still intact.

Miss Gumbo was treated for a head laceration.

### SPRINGTIME TEA FOR ORGAN FUND

Christ Lutheran church Sunday school room was the scene Thursday evening of a springtime tea given by the Ladies Aid society of the church for the benefit of the church's organ fund.

Flowers decorated the room and programs in pastel colors marked places at tables for four where guests were seated for the presentation of a program under the sponsorship of the Young People's society during the earlier part of the evening.

Mrs. Martin Lobeck announced the program numbers. The first was a comedy playlet directed by Mrs. Willie Tackenberg in which the following took part: Paul Hartfelder, Edith Bodendorfer, Albert Gunther, Virginia Binder, Betty Lach, Emma Gunther and Nick Binder.

A group of boys dressed as cowboys and girls sang a group of humorous songs. Those in cowboy costume were Ed Gunther, Findley Sankey and Paul Harfielder and costumed as girls, Albert Gunther, Henry Gunther, Nick Binder and Arthur Hartfelder. Mrs. Rudy Kramer was accompanist.

Sparkplug the Horse appeared and was later revealed as Merrill Lobeck and Dick Koski.

A group of songs by a girl's chorus was the concluding feature of the highly successful and enjoyable program. Girls in the chorus were the Misses Helen Gartner, Edith Bodendorfer, Virginia Binder, Emma Gunther, Grace Bruno and Betty Lach.

Refreshments were served at the small tables by the hostess committee. Mrs. Arthur Daugherty, Mrs. George Schlumberger and Mrs. Frank Reiter and members of the Ladies Aid.

### WEDDING REHEARSAL ATTENDANTS NAMED

A rehearsal for the wedding of Miss Mary Ruth Turner and George F. Evans was held Thursday evening in the First Congregational church followed by a lovely informal party by the entire wedding procession at the home of the bride's aunt and uncle, Mr. and Mrs. Charles F. Morrow, of Wampum.

Tempting refreshments were served throughout the evening with Miss Flora Davies assisting the hostess in serving.

Miss Turner and Mr. Evans were married in marriage this evening at an open ceremony at 7:30 o'clock in the First Congregational church with Rev. Thomas J. Jones officiating. Miss Turner is the daughter of Mr. and Mrs. Carl E. Turner, 336 Arlington avenue, and Mr. Evans is the son of Mrs. Marion Evans, 210 Scott street, Warren.

The bride has asked Mrs. William Walters, sister of the groom, to be her matron of honor, and her sisters, Mrs. William C. Rose and Mrs. George Jones to be bridesmaids.

Rupert Evans, brother of the groom, will serve as best man with the following ushers: William Walters, William Rose, Dr. George Jones and Merle Shaffer.

### SURPRISE SHOWER FOR BRIDE-ELECT

At a surprise pre-nuptial shower event for Miss Mary Louise Ward, June bride-elect, Mrs. R. B. Withers, of 308 East Garfield avenue, entertained a group of friends of the guest of honor Thursday evening.

Games and music furnished pleasant entertainment for the group preceding the serving of refreshments and the presentation of an array of lovely gifts to Miss Ward.

On the table where a lace cloth over yellow carried out the color scheme of yellow, green, and white streamers from a miniature maypole surrounded by Hills-of-the-valley marked places for 12. Placecards read "Mary Louise and Jerry."

The bride-elect has announced June 18 as the date for her wedding when she will become the bride of Jerry Withers.

Aides were Mrs. Alec Samuels and Miss Ruth Hartman.

### JEWISH COUNCIL TO CLOSE MEETINGS

New Castle Section of National Council of Jewish Women will have its closing meeting of the season Thursday evening, June 5, at 8:15 o'clock at Temple Israel.

The meeting will be in the form of a dessert-meeting at which time there will be reports given on the 19th conference of the Pennsylvania sections held recently in Pittsburgh.

Speaker on this occasion will be Rabbi Paul H. Katz, spiritual leader of Tifereth Israel. Installation of new officers will also be held at this session.

Reservations originally made for this previously scheduled meeting will be accepted on June 5. For additional and new reservations, Mrs. J. Miro and Mrs. D. Fisher will be in charge.

### S. O. S. Club Assembles

S. O. S. Club members met Thursday evening at the home of Mrs. Weiner Bair, 931 Clarence avenue, with sewing and a viewmaster with a variety of films making as enjoyable pastime of the evening.

Mrs. Joseph Werner was presented with a lovely birthday gift from the club. Mrs. Benny Augustine received the door prize. Special guests attending were Mrs. Andrew Litvinovich and Mrs. Nick Pietro.

Next meeting will be held at the home of Mrs. Blaine Borman, 703 County Line street, on June 5.

### FEDERATION JUNIOR DINNER ENDS YEAR

At the spring dinner of the Federation Juniors at a tearoom near New Wilmington Thursday evening at 6:30 o'clock the club had as a special guest Miss Grace Price of the Grace Price Productions whose plays for children the club has brought to New Castle for the past three seasons.

Introduced by Mrs. Joseph W. Pearson, play project chairman, Miss Price complimented the club on the cooperation here and told the group that she wanted to impress on them the impetus they have given to what is rapidly becoming a national theater movement. Next year she said she plans to do "Hansel and Gretel" and a dramatization of the Boy David as her first two productions of the season.

Next year she said she plans to do "Hansel and Gretel" and a dramatization of the Boy David as her first two productions of the season.

Miss Reba Sines presided over the business meeting during which there were annual reports from committee chairmen. Contributions to charitable causes during the past year totaled \$83741 and have included gifts to both hospitals, 11 pairs of glasses purchased for children with poor eyesight, to the Margaret Henry Home, to the American Cancer Society, to Greek Relief to the Red Cross, to the Community Chest, the Elm St. Y.W.C.A., and the Lawrence County T.B. Society.

The club's most recent gift was a portable incubator to New Castle Hospital.

Miss Janet Brenneman and Mrs. Richard Marquis were appointed auditors.

Miss Sines then turned the chair over to Mrs. Alec Brincko, new president, who announced committee chairmen for the coming year.

Gifts were presented on behalf of the club to Mrs. Ezra D. Marvin, sponsor, and Miss Reba Sines, in appreciation of their splendid work during the past year.

For dinner name cards marked places for 34 at three tables prettily decorated with spring flowers. Mrs. Eugene Scanlon, Mrs. George Marquis, and Mrs. Donald Allen were the committee in charge of dinner arrangements.

In a slogan quiz Mrs. Louis Hazen won high prize.

Tables of contract bridge were in play for a short time during the latter part of the evening with prizes awarded to Miss Margaret Brown, Mrs. William Y. Gibson, and Mrs. Gust Sanfilippo.

Eighteen To Receive Diplomas:  
Other News Notes Of  
College Town

NEW WILMINGTON, May 23.—The program for commencement of the graduating class at New Wilmington High School, Thursday May 29, at the U. P. church has been announced by Walter Whitman, supervising principal.

Dr. William F. Zimmerman, president of Thiel College, was originally scheduled to give the commencement address but has notified Mr. Whitman that he will be unable to fill the engagement. An effort is being made to secure another speaker.

Sally Hart, valedictorian, and William McLaughry, salutatorian, will speak. Miss Hart will have "An Outlook" for her subject while McLaughry will speak on "How Strong is a Nation?"

Harry Suttle, a member of the class and winner of the tenor solo contest in the district event, will sing "Where E'er You Walk" by Handel.

The eighteen members of the class are: Harry R. Suttle, Clinton Charles McFarland; Charles Robert Buchanan, William Eugene Caler, Lewis Gilmore Wilson, William Edward McLaughry, Eleanor Elizabeth Garrett, Luetta Marie Pyffe, Vivian Hope Houston, Clara S. Wozniak, Grace Irene Temple, Sally Jean Hart, Thomas Elliott Lusk, Earl Wesley Veazey, Mary Alice Watson, Dorothy Louise Shearer, Julia Louise Edeburn and Shirley Allene Sipe.

**NEW WILMINGTON NOTES**  
The Every Ready Bible class of Mrs. Ora Welshons, New Castle street, will entertain Naccanee club at her home Friday evening. The Methodist church will meet Friday evening in the home of Mrs. Clare E. Wagner, W. Neshannock avenue.

Members of the Garden club will visit the famous lilac gardens at the A. H. Humphrey place at Butler, Tuesday, leaving here at 12:30 p.m.

The W. C. T. U. will meet Tuesday at the U. P. church parlor at 2:30 p.m. Mrs. John Orr is chairman of the committee and Mrs. J. A. McLaughry will direct the theme topic, "The Community and the Child".

Dr. Elizabeth L. Veach, medical director at the Overlook, is attending the national meetings of the American Psychiatric convention at New York City.

**State Legislature  
Starts Drive For  
June Adjournment**

HARRISBURG, May 23.—(INS)—Legislative leaders were marshalling forces today for the home stretch drive toward final adjournment by mid-June.

Appearance of a general appropriation bill proposing \$382,448,528 for departmental operations during

the biennium opening June 1 signaled a speedup of legislative activities. The allocations were \$30,369,425 above Gov. Arthur H. Duff's recommendations.

**Agree "Principle"**

Senate Republicans agreed "in principle" to three highly controversial labor-curbing bills, sponsored by Sens. Weldon B. Heyburn (R) Delaware and A. Evans Kephart (R) Philadelphia, and pledged support of six other labor measures approved by the house. Five were administration bills.

The labor bills and Gov. James H.

Duff's plan to raise teachers' basic minimum salaries from \$1400 to \$1800 and unify school subsidies were expected to be started toward the governor's desk Tuesday.

Sen. Frederick L. Homsher (R) Lancaster, sponsor of Duff's bill, has promised to discuss the legislation Monday with insurgent Republican supporters of a measure to establish a \$2400 minimum, but insisted he would not allow an upward revision of his bill.

An amended version of a bill to broaden tax bases of political subdivisions except Philadelphia, coun-

ties, second class township and the Philadelphia and Pittsburgh school districts was being prepared for release by the house committee on municipal corporations early next week.

**WALNUT THOUGHT "LUCKY"**  
Irish people are the most superstitious, says a Dublin man who has made a study of charms and "cures" in which they put faith. One man whom we asked for a light produced from his pocket a box of matches and a dilapidated walnut, which he explained was a cherished possession of eight years standing. It was, he said, a charm against illness, and thousands of Irish folk believe walnuts possess strange powers. Others think if they will carry an acorn, they will never suffer from rheumatism. Others carry tiny horseshoes.

## Governor Duff Changes Custom

Abandons Regularly Scheduled Plan For Conferences With Press Men

#### OTHER NEWS OF STATE AFFAIRS

HARRISBURG, May 22.—(INS)—Gov. James H. Duff has abandoned regularly scheduled press conferences with state capitol newsmen for unannounced reasons. His last press conference was April 22. . . . The reason for the departure from a practice of 20 years standing has not been disclosed. . . . The governor has not shut himself off entirely from the press; newsmen may still call upon him individually. . . . A similar arrangement marked the administration of ex-Governor Sproul. . . . The late Gifford Pinchot, twice governor of the Commonwealth, inaugurated regular press meetings during his administration from 1923 to 1927. . . . The practice was carried out by succeeding governors until the press of business stemming from the war forced Governor James and Martin to cut conferences to about two a week.

Three of Pennsylvania's 32 governors who have guided the Commonwealth since 1790 were not native Pennsylvanians. Robert E. Patterson, of Philadelphia, governor from 1883 to 1887 and 1891 to 1895, was born in Quakertown, County, Maryland. . . . John K. Tener, of Washington, who died last year, was born in County Tyrone, Ireland. . . . He was governor from 1911 to 1915. Gifford Pinchot, of Pike County, who headed the state from 1923 to 1927 and 1931 to 1935, was born at Slumsburg, Connecticut.

There have been some hints from several legislators that the House Committee members who bucked Governor Duff's proposed \$1,800 annual minimum starting salary for teachers lacking college degrees would be at a political disadvantage during the rest of the administration. . . . Several of the rebellious committeemen warmly admitted it was quite probable. . . . The governor's retaliation, it was hinted, would make it difficult for the recalcitrants to have legislation approved and leave them with little if any patronage on the state payroll. . . . Neural lawmen believe Rep. D. Raymond Sollenberger (R), Blair, chairman of the Education Committee proposing a \$2,400 a year teachers minimum wage, has made a mistake by refusing to compromise with the administration. They point out that administration forces hold the whip hand in the general assembly and any attempt to buck the tide would be unsuccessful. . . . Duff has said only so much money would be available and that precluded consideration of the \$2,400 proposal, colleagues said.

Legislators tempers are becoming shorter as the 1947 session approaches a weary climax. . . . In the Senate, Minority Leader John H. Dent and Majority Leader O. J. Tallman stage frequent verbal battles and some sharp words usually are exchanged. . . . As the lawmakers worry a few legislative boulders to the wall, they impinge bad faith to the opposition, ridicule political hindsight and praise Republican or Democratic policies, as the case may be. . . . After tempers subside, apologies frequently are offered publicly.

Above all, the law has helped to focus attention on the kind of economic discrimination that creates frustration and hostility. As we are gradually coming to realize, it is among those who feel that they cannot, by reason of their race or religion, get a break under our system that communism is likely to thrive.

Repeatedly the un-American practice of discrimination is being challenged here in New York. No instance is more dramatic than that of Jackie Robinson of the Brooklyn Dodgers. Robinson is the first Negro to play in major-league baseball.

For Robinson is it not an easy piece of pioneering. He must have extraordinary character to take his place in a difficult realm where his people have never been before. There are reports of an organized conspiracy to drive him out of baseball. Here New York's anti-discrimination law might function.

In Washington, Sen. Ives is one of the sponsors of a federal law aimed at discrimination which follows the New York state pattern. As the Dewey team knows very well, this is a national issue almost as much as it is an issue in this state.

**POPCORN PROFITS**  
NE WYORK—(INS)—The dimes and quarters spent for popcorn by millions of Americans add up to millions of dollars for farmers who raise popcorn. In 1945 the popcorn crop brought farmers over 16 million dollars, the all-time high. In 1946, the next best year, the farm value was around nine million dollars.

**Hazarding War**

Thus we are in the position of hazarding a war for the support of a regime in Greece vital to the British Empire, while ignoring situations in China and Korea, which have direct bearing, not only on our economic welfare, but on our national security as well. It perhaps is not unreasonable for Russia—or for citizens of our own country—to suspect that our interest in Greece is predicated less on our own security than in the support of Great Britain in protecting her famous "life-line" to the Middle East and the Far East.

Communism in Greece no doubt is a real threat to the two great English-speaking powers. But Communism in China and Korea is a more direct threat to our own security.

So the question with all propriety may be asked of Mr. Truman and Congress: While we are trying to block world Communism, what about Korea and China?

ought to take. There's nothing like it.

So we got folders and timetables and all kinds of literature and we read about Hawaii in the Encyclopedia—and we decided not to go to Hawaii.

But we had our fun and it was good fun and very cheap.

We have been talking about Lake Louise and Colorado Springs and the White Mountains and the Green Mountains, and somebody told us Florida is awfully nice in summer and in September the asters are out and the grapes are at their best.

"Why don't we just stay home," she suggested, "and just imagine we are going places? That way we can always be sure of a bed and three square meals—and look at the money we save!"

Where are we going? I'll tell you in August.

portunists lurking on the sidelines. There are men who except for brief incursions in the spotlight remained ominously silent during the abdication of King Victor Emmanuel and the plebiscite which dislodged King Humbert, turning Italy into a republic.

There probably are few persons even inside Italy today who can assess thoroughly the progress that such extremists have made in boring into the Italian body politic by subversive propaganda and perhaps even bribes and blackmail, for none of these is alien to the European system.

It is a safe assumption that Orlando's difficult although little-publicized cabinet task at this moment commands the undivided attention of conservative politicians throughout the length and breadth of Europe's unhappy continent.

#### THE PARENT PROBLEM

(Continued from Page Four)

the well-to-do, a big problem with parties for children over five or six is to control them. Some mothers and their homes are wrecks after a party. Of course, if you have disciplined your own child well it is easier to manage her young guests.

It is amazing how many parents of children over ten or twelve will let their children have or attend a party, without the presence of an adult in the home. Even with a party of adolescents, while the mother need not impose her presence constantly or spy on them, her being in the house can add whole-some dignity. When parents of children and youths who most often have good times together cooperate with one another their children rarely resent reasonable regulations and efforts at providing a desirable atmosphere.

## Will Decorate County Graves

Over 2,500 Flags Needed To Decorate Graves Of Ex-Service Men In County

### OTHER NEWS OF COURT HOUSE

Beginning Sunday, May 25, various organizations will decorate the graves of ex-servicemen in the county with American flags. A. Lewis Conn, director of veterans affairs for Lawrence county, has distributed flags to various parts of the county and by Memorial Day a flag will wave over the grave of every man or woman who served this country in time of war.

It takes 2,592 flags to complete the job, according to Mr. Conn, which means that 2,592 men and women who served are buried in the county. This goes back to Revolutionary soldiers, War of 1812, the Mexican War, the Spanish-American War, the Mexican Border engagement, World War I and World War II.

Each flag is in a holder showing the war in which the soldier fought and so far as is known there is not a serviceman's grave in the county but what is marked with a holder.

### MARRIAGE LICENSES INCREASE

With June almost parked in our lap, Dan Cupid seems to be doing a job of sharpshooting just now, and the marriage license docket reflects his aim. June is the "month of brides and roses", and we can't speak too authoritatively on the roses, but the crop of brides will probably be heavy one.

Just what there is about June that so many brides select it as their month is not clear but a fact nevertheless. It's just as binding to get married in October, January or August, but June gets the play.

HOLLYWOOD, May 23.—Marie McDonald is back from her Nevada divorce sojourn with a heavy tan. One of the nuts in the steering mechanism had never been properly fastened and it was hanging on two threads.

"Can you imagine what could have happened if it had given way? Some of the time I was hitting close to 80 miles an hour."

Marie is very proud of her sun tan which makes her beautiful legs look like they were enclosed in very sheer stockings.

When Marilyn Maxwell went to Chicago last Sunday for the "I Am An American" day celebration, the studio sent along a young man to watch over her.

Her guardian was very truthful with her. He said:

"If the storm was that bad, I'm glad I was asleep. I'd have been frightened, too."

Weather conditions were such

that their plane did not leave until 2 a.m. Sunday. So, when they

were on the return trip to Los Angeles Sunday night, they were very tired people, particularly the young man.

He fell asleep after they left Kansas City and he was awakened some time later by Marilyn vigorously shaking him.

## Shipping Stocks Given Attention By Babson

By ROGER W. BABSON  
Copyright 1947, Publishers Financial Bureau, Inc.

NEW YORK CITY, May 23.—Aid and loans abroad are bound to expand U. S. trade with most of the nations of the world. Therefore our farmers and manufacturers will benefit! What about our merchant fleet? Are we to let other nations take away our war-built lead in maritime commerce as after World War I? Wall Street is trying to get small investors to hold the bag".

### What Happened After World War II?

Let us look upon our maritime fleet before and after World War II. In 1939 we had about 14 per cent of world shipping; today we have 40 per cent. Great Britain today has about 22 per cent, nearly the same as in 1939, and is building more. Other nations are rapidly replacing their war-depleted fleets with the intention of bettering their pre-war status.

Although U. S. ships were carrying about half of the world trade after World War I, they had lost 30 per cent of that trade up to World War II. By 1939 our merchant fleet had been reduced to only about 14 per cent of the world's shipping. It looks very much as if this peacetime reduction in our merchant fleet were to be repeated.

### Ships Available

From the end of World War II to the present day the U. S. merchant fleet has been reduced in tonnage close to 55 per cent. When this program has been completed it is doubtful if we have more than 1500 ships in use. Today we have three main classes of dry cargo vessels. The first class includes long-range freight vessels with medium speeds, combined cargo-passenger ships with comparable speeds and other faster cargo-passenger ships. These three types are the most useful for post-war shipping.

**Liberty Ships Unsatisfactory**  
Victory, the second class, have fair speed; their detriment is stowage factor. Thirdly are older vessels and Liberty form the bulk of our dry cargo fleet. The stowage factor of the Liberty ships is fair. But their expensive power plants, their low speed combined with the high cost of American labor, make Liberty impractical for American operators.

Now we come to ships building throughout the world. The U. S. has practically ceased construction. We are in need of fast medium sized passenger ships as well as some refrigerator ships. We will need new dry cargo ships designed to meet the faster more economical competition. In number of ships building today the U. S. falls into the same category as France, Norway and Sweden. Italy and Holland are quiet a few ships ahead of us. Great Britain intends to outbuild all comers with more than seven times the present U. S. program.

We do not know what Russia is building but my guess is that Russia's program will fall between Brit-

ain and the others. With one exception only, under the present set up, are we likely to hold our own in post-war shipping. We have more than enough tankers of large capacity and competitive speed. The opening of new oil fields throughout the world, with the demand for petroleum and by-products, should enable our tanker fleet to lead in this field if we can protect our Arabian oil fields. This is one reason for our present interest in Greece and Turkey.

### Subsidies Necessary

Loading constitutes one of the largest shipping costs. At present high priced labor makes loading and unloading expense heavy. A new device, being tested on the Maritime Commission's U. S. Sea Hawk, cuts loading time by an estimated 15 per cent. Until such modern devices can be incorporated into new ships we shall need considerable subsidy to support shipping. For today loading and other labor costs make American shipping far from profitable. The present plan is to spend about \$50,000,000 each year in subsidies for the support of our active merchant fleet. This amount will only maintain a skeleton fleet allowing for no new developments and the needed types of ships to maintain a progressive fleet.

In view of the above I cannot now recommend readers to buy shipping securities as an investment, but I do believe the Federal government is justified in increasing subsidies to U. S. shipping. This would provide a proving ground where we could design and test new, faster and more economical ships. Though we might not hold the lead in actual goods carried, we would remain fully abreast of the times. Furthermore, we would be able to jump into any future emergency and at least be on an equal basis with any other power.

The stadium built at Athens, Greece, for the first revival of the Olympic sports, in 1896, is said to accommodate 30,000 spectators.

## Wives To Attend G.N.C.A. Dinner

Expect Crowd Of About 500 At Annual Dinner Of G.N.C.A. May 24 In Cathedral

Not only the members of the Greater New Castle Association will be attending the Members' dinner Tuesday night, May 27, in The Cathedral, but their wives, sweethearts and business associates are invited. Ivor V. Davis, president of the G.N.C.A. stressed this fact today when he said that it was hoped every member would bring his wife, sweetheart or business associate along.

Chester C. Sweeny is in charge of the menu for the dinner and promises a real meal. Ralph Z. Galbreath has charge of the decorations which means they will be well done.

There will be no long list of speeches at the meeting. The principal speaker, Dr. C. S. Wyand, assistant to the president of Penn State will talk on post war planning problems and what has been done in other cities.

The only other two talks will be by Past President of the G.N.C.A., William D. Cobau who will speak upon the objectives of the association and President Ivor V. Davis who will speak upon future activities.

All members of the G.N.C.A. have received their reservation cards and are asked to send them in immediately as it will be necessary to give the women in charge of the preparation of the meal an estimate of how many will be present.

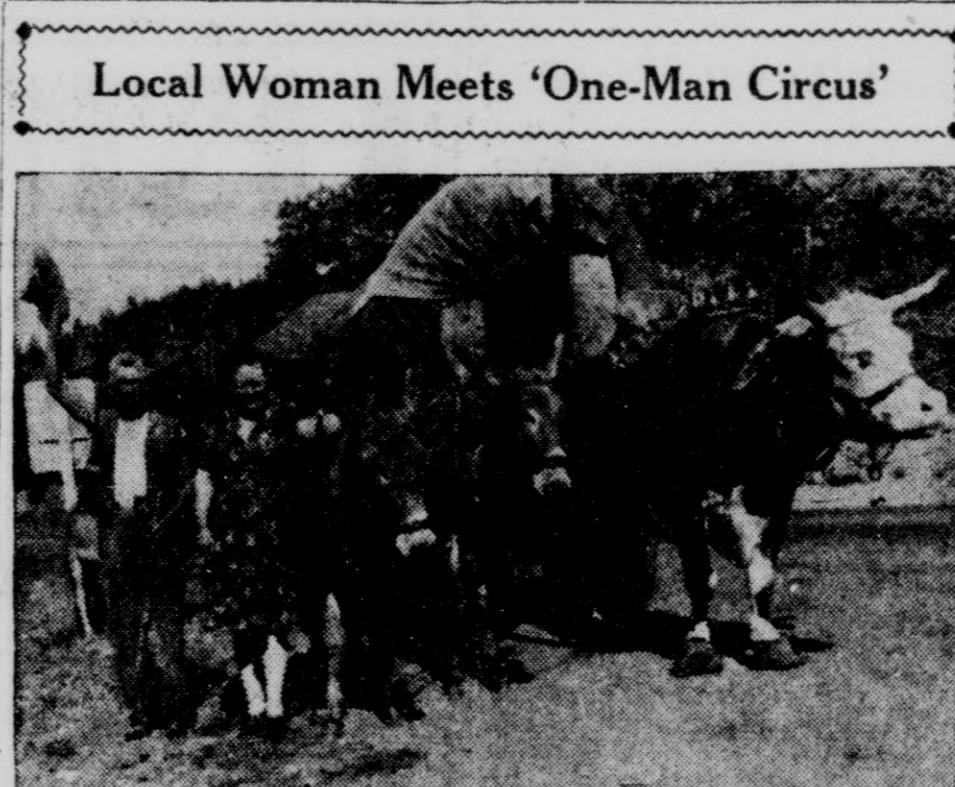

## First Methodist Church To Observe 59th Birthday

The First Methodist church of New Castle will celebrate its 59th birthday next Sunday, May 25th, at 11:00 a.m.

The anniversary sermon will be preached by Dr. Burr R. McKnight, who has been the pastor of the church for the last five years, during which time over 400 new members have been received.

His subject will be, "A City Set On A Hill." Special anniversary music will be rendered by a large vested choir, directed by Edwin Lewis, organist and director of music of First church. First church, New Castle is entirely out of debt, and there will be no financial debts needed on Anniversary Day.

In the early 18th century, with no furnaces or electric heaters, royal palaces were cold, and heavy wall hangings were a comfort, as well as works of art. One such tapestry still hanging, made in Paris during the Regency, around 1715, and sent as a wedding present from the monarch, Louis XV, to Isabella Marie de Merode, may be seen in the Cleveland Museum of Art, Cleveland, O.

Mrs. Goldie Lenz of 111 N. Jefferson street, is shown with Orville Ewing, owner of the famous "one-man circus" on the outskirts of Eureka, Calif., where Mrs. Lenz, with Mrs. Delos Burnsides, of 289 Beckford street, came upon the grizzled Coloradan and his menagerie while touring the west.

## Foremen Told Of New Role In Modern Industry

Socony - Vacuum Executive Tells Supervisors They Should Take Stock'

PHILADELPHIA, May 23.—(INS)

How foremen and supervisors can become a more important segment of management has been outlined by a top executive of the Socony-Vacuum Oil Company, Inc., for several hundred members of the National Council of Foremen's Clubs.

In a speech delivered at a dinner to mark the organization's thirteenth annual meeting, Sterling W. Mudge, supervisor of training for Socony-Vacuum, asserted that foremen should "take stock" of themselves periodically to determine whether they are qualifying themselves for a voice in management.

Mudge's subject assumed special significance, for his talk came at a time when unionization of foremen was being pressed vigorously in a number of communities.

Being appointed to a supervisory position, the New York executive said, carries with it an obligation on the part of each man to study and train himself to become a practical part of management of the firm in which he is employed.

After defining management itself as "the responsibility for accomplishing results through the efforts of people," Mudge said the prime requisites for people in this group are good personal characteristics, knowledge of the business and ability to perform his tasks and reach his goals under prevailing conditions.

XENIA, O.—(INS)—There was a Cinderella-in-reverse touch to a highway robbery reported to the Green county sheriff's office.

George Hellwig, 22, Dayton, said he and woman companion, returning from a Bellefontaine wedding, were held up on a road in Bath township by a bandit who masked his face with a polka-dot bandanna, flourished a gun in one hand and knife in the other.

After taking \$5 in cash from Hellwig and \$33 from his companion, the robber demanded one of the woman's slippers and the car keys. Walking in front of the car, he placed the shoe on the highway with the keys inside. After warning the couple against any attempt to pick up the keys until he had escaped, he got into his own auto and drove away.

### New Fancy Cuts Of Meat Develop

#### New Program Is Being Worked Out In Spirit Of Economy Is Report

PITTSBURGH, May 23.—(INS)—The man with the butcher knife is catching up with the lamb and the pigs and the results are somewhat unusual, to say the least.

He's come up with such cuts as "butterflied ham slices" and "mock duck of lamb," to mention a couple.

Regardless of what the reaction might be of a man—with that morning-after-in-digestive feeling to an order of eggs and butterflied ham slices, it's all being done strictly in a spirit of economy.

So says Don R. Miller of Chicago, a meat expert attending the National Livestock Meat Board demonstrations in Pittsburgh.

Miller wielded a number of knives on 70 pounds of meat and came up with a fancy cut—all cut from the "unpopular" sections of pork and mutton.

He turned a four-pound ham butt into three meals instead of one.

He took an unattractive wing cut of lamb, and came up with the mock duck—appealing to the eye as to the taste.

"These cuts not only are palatable," said Miller. "These methods of meat cutting aren't exactly new, but generally are not used."

Chicago saw its first locomotive in 1848.

Sugar Operations  
Trial Completed**

Five Plead Guilty; One Convicted  
By Jury; One Found  
Not Guilty

HARRISBURG, May 23.—(INS)—Maurice (Mendel) Katz, Scranton restaurateur, was free today of charges that he conspired with six other men in black market operations involving approximately 2,000,000 pounds of rationed sugar but was held under bail for federal court on another charge.

Leonard Berger, of Newark, N. J., a co-defendant, was convicted by a federal jury which deliberated nearly five and a half hours at Harrisburg yesterday. Five other accused members of the ring pleaded guilty earlier.

Katz was acquitted by a panel of seven men and five women of specifically dealing illegally in ration checks worth \$1,748 pounds of sugar in the spring of 1946. The indictments were returned January 22, 1947.

Judge John W. Murphy, of Dunmore, who took cognizance of the fact that Berger had had "run-ins" with the law for the past 26 years, imposed the maximum sentence of one year imprisonment and a \$10,000 fine.

## Annual Wage Goal Of Unions Cannot Halt Depressions

U. S. Chamber Of Commerce Official Says Guaranteed Wage "Naïve" Theory

PITTSBURGH, May 23.—(INS)—The guaranteed annual wage—the goal of many labor unions—cannot prevent depressions, according to Dr. Emerson P. Schmidt, director of economic research for the United States Chamber of Commerce.

Dr. Schmidt, addressing the annual midwestern spring conference of the Controllers Institute of America, termed the guaranteed wage a "naïve" theory for prosperity. He said:

"The mere guarantee of wage would not prevent the accumulation of those adjustments which precede a depression."

He explained that not all labor unions desire a guaranteed wage, but added:

"The CIO subscribes to what is sometimes called the naïve purchasing power theory of prosperity. Under this view, depressions are due to a lack of wage earners' power."

Dr. Schmidt declared that it would be hard to find an "impartial economist" who would blame depressions on lack of purchasing power. He declared that "even Karl Marx noted" that depressions occur when purchasing power is at a peak. He added that "recovery takes place when purchasing power is at its lowest, as in late 1921."

Business can help to avoid depressions, he said, by:

1. Avoiding speculation in inventories.

2. Avoiding expansion of short-term credit for what should be long term financing.

3. Remaining alert to adapt production and distribution to changing tastes and demand.

## Medals Given At East Brook

American Legion And Auxiliaries Awards Are Presented Outstanding Students

LETTERS ALSO  
GIVEN "AG" PUPILS

Presentation of the American Legion and auxiliary awards medals to the outstanding boy and girl student in the eighth grade of the Hickory township consolidated school at East Brook took place on Friday afternoon, Howard Schooley receiving the award as the outstanding boy in the grade and Miss Rosalie McFarland the award for the girl.

Each received a medal and a certificate from the representatives of the post and auxiliary.

Supervising Principal Ralph E. Watson presided, and introduced Charles E. Allen, adjutant of the Perry S. Gaston post, American Legion, who in turn presented Worrell M. Jones, chairman of the medal award committee. Mr. Jones outlined the principal points for which the award is given, namely, that the recipient must be outstanding in honor, scholarship, service, companionship and character. He then introduced Mrs. James N. Speed of the auxiliary, who presented the girls' award. Mrs. Speed was accompanied by Mrs. Herman Shaffer of the auxiliary.

Presents Letters

After the medal award presentation, Howard F. Fox, instructor in agriculture at the school and advisor of the East Brook chapter of the Future Farmers of America, presented letters to the boys who represented the school at the recent FFA judging contest held at Slippery Rock April 25 and who brought back the plaque to East Brook high school for their outstanding score against other schools in the tri-county area.

Those who received the honors were: Bob Patterson, potatoes; Jim Stunkard, weed identification; Don Hanna, weed identification; William Pontius, vegetable seeds; Don Smith, insects and diseases; Walter Pearl, farm mechanics; Walter Lysik, public speaking; Jim Downing, weed identification; Charles Reiber, field crop seeds; Harold McConnell, field crop seeds; William Zeeher, vegetable seeds; Arthur Rote, insects and diseases; Jack Brula, farm mechanics; Bob Pontius, weed identification; William Sickafuse, field crops; Wayne Lyons, vegetable seeds; Eugene Downing, insects and diseases.

Mr. Fox also announced the names of the youths who will represent the chapter in the FFA week at State College June 11, 12 and 13. They were the boys who stood highest in the scoring at Slippery Rock, namely, Fred Wallas, Charles Reiber, Walter Uearl, Wayne Lyons, Eugene Downing, insects and diseases.

## Murder Charge Made In Death Of Children

TOLEDO, O., May 23.—(INS)—Harold and Florence Lehane, both 41, were booked Thursday on first degree murder charges in Toledo after their return to the Ohio city following their capture in Waterloo, Ia.

Lucas County Prosecutor Joe Rhinefort said the couple wanted for the murder of James and Gerald Gleason, aged 4 and 2, respectively, would be arraigned in common pleas court within a few days.

Upon his arrival in Toledo after the 560-mile trip from Waterloo, Lehane, an ex-convict, said only, "It was a very hard trip." When apprehended in Waterloo, the couple denied any knowledge of the slayings.

The Lehaneys' two children, William, 16, and Gerald, 5, were placed in the Child's Study Institute while two Collie dogs that had accompanied the family on their 25-day flight from police were turned over to relatives of Mrs. Lehane.

**Urge Banks Pay More Attention To Systematic Savers**

ATLANTIC CITY, N. J., May 23.—(INS)—A Pennsylvania Bankers Association subcommittee recommended Wednesday that all commercial banks—particularly those in rural areas—concentrate on paying more attention to the systematic saver.

The recommendation was turned in by the committee on rates of interest on deposits to the PBA's 53rd annual convention in Atlantic City.

The committee reported that although savings deposits in the state showed a sizeable increase in 1946 over 1945, the increase was \$197,000 less than that shown in 1945 over 1944.

Chairman Harry O. Sakemiller of New York pointed out in the report that in country banks, a large amount of savings money has been invested in mortgages which hold a better return than could be obtained from short term investments.

"It is hoped that this will not be considered pessimistic," the report added, "but if savings decline, it is not possible that mortgage loans may have to be curtailed and will they constitute a sufficiently liquid secondary reserve?"

Daniel H. Erdman of Quakertown, chairman of the committee on competitive agencies, said that as of last Jan. 1, farm loans in the state, other than real estate, were outstanding in excess of \$21 million, with farm real estate loans of about \$1 million—a total of \$32 million in the hands of insured commercial banks as against approximately \$19,500,000 in the hands of government agencies.

Luxor, a village of Upper Egypt, on the east bank of the Nile, stands upon the site of the ancient Thebes. Its Arabic name, of which Luxor is a corruption, means the palaces, and refers to the magnificent ruins upon which the village encroaches.

## Conference To Aid Displaced Persons

Rev. Thomas J. Jones Re-Elected President of Good Will Conference Thursday Eve

Good Will Conference of New Castle met Thursday evening in the public library, and endorsed the campaign for the passage of the Stratton bill—the temporary emergency legislation for admission of 400,000 displaced persons into the United States within a period of four years.

Rev. Thomas Jones, president, emphasized that every displaced person admitted to this country will undergo a physical and mental examination, and be submitted to other requirements demanded of regular immigrants.

By aiding in this nation-wide project, the local conference is promoting good will and fellowship. The United States will set an example and show the world that we are ready to accept our share of the burden in helping persons who have been deprived of homes and country. It will be an act indicating our aim in bringing peace to the world.

Election of officers took place afterwards with the results: president, Rev. Thomas J. Jones; first vice-president, Dr. James Gillespie; secretary, Mrs. Alec Samuels; treasurer, James Carey.

Appointments were made for Attorney Joseph Leta and Rev. A. E. Simon to draw the resolutions favoring the adoption of the Stratton bill, which is to be sent to Congressman Louis E. Graham, of the 25th district, a member of the judiciary sub-committee for displaced persons.

This year the Conference will devote its time to helping the displaced persons, and will consider this humanitarian enterprise as its principal project of the year.

July 17, is the next meeting of the year, and the program committee in charge includes: W. E. Nelson, Marguerite White, Rev. O. McFarland, Samuel Schwartz and Mrs. Alec Samuels.

Almost 40 per cent of the land surface of the United States has too little rainfall to permit safe general farming.

## Uniontown Youth Gets 15-39 Years For Assault, Thefts

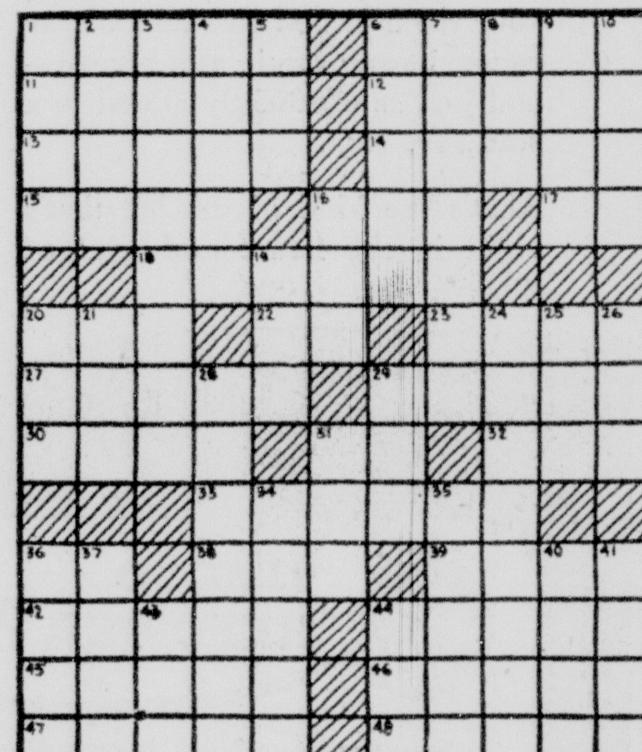

UNIONTOWN, Pa., May 23.—(INS)—Benjamin Haney, 18, who pleaded guilty to criminally assaulting an eight-year-old Connellsville girl and the theft of 11 automobiles, today was sentenced to prison terms aggregating 15 to 39 years.

Judge W. Russell Carr sentenced the former Connellsville truck driver to seven to 15 years on the assault charge and to one to three years each on eight of the 11 auto theft charges.

"Parian verse" is ill-natured satire, so called from Archilochus, a native of Paros.

## Harlansburg High Baccalaureate On Sunday Evening

Commencement Exercises Scheduled  
For Tuesday Evening, May 27,  
At Presbyterian Church

Baccalaureate Services for Scott Township High School at Harlansburg are planned for Sunday evening, May 25, at 8 o'clock. E. S. T. In the Harlansburg Presbyterian Rev. A. B. Weisz, pastor of the Rich Hill Presbyterian church will preach the Baccalaureate sermon with the Girls chorus from the school led by Mrs. S. A. Aiken providing the music of the evening.

Commencement exercises are scheduled for Tuesday evening, May 27, at 8 o'clock in the Presbyterian church.

Commencement The complete program is as follows:

Salutatory address, "One Religion and One World," Doris Richael, President's address, Harold Iorio.

Testament, Dark Clouds, Doris McCracken.

Optimist, Silver Linings, Josephine Post.

Duet, Donna Heckathorne, Irene Dean.

Prophecy, Pertinent Predictions, Ruth Pherson.

Orchestra number, led by Mrs. S. A. Aiken.

Groaner and Will, Donna Heckathorne.

Oration, "One People and One World," Irene Dean.

Valedictorian, "Patriotism and One World," Evaline Strawbecker.

Presentation of key, Harold Iorio.

Acceptance of key, Glenna McCracken.

Class song.

Presentation of diplomas by Principal Irvin Stunkard.

The graduating class of eight is as following: Doris Richael, Harold Iorio, Doris McCracken, Josephine Post, Donna Heckathorne, Irene Dean, Ruth Pherson and Evaline Strawbecker.

At a meeting marked by an unusually large attendance of members of the League of Women Voters and the legislative department of Woman's club and a number of guests, the league heard as speaker Thursday afternoon J. C. Wachtman, executive vice president of the Greater New Castle Association, talk on "Universal Military Training."

Introduced by Mrs. Lyle Hughes, who presided, Mr. Wachtman outlined the proposed program and gave a strong summary of the points in favor of its adoption in order to ensure an adequate military organization for the United States.

At the close of his talk he answered a number of interested questions for the audience.

Officers Elected

Following a report of the nominating committee, the following were elected: Mrs. Lyle Hughes, chairman of the Board of Regents; vice president, Mrs. Bernard Hook; recording secretary, Miss Margaret Brown; corresponding secretary, Mrs. W. A. Confer; treasurer, Mrs. W. H. Humphrey.

The group voted to endorse the national league stand on several bills now up for vote in committee in the House of Representatives and the Senate.

**Survey In Progress**

Attention of the group was called to a letter received by members from Dr. Helen Glenn Tyson, of the public welfare survey currently underway in Lawrence county. Further reports will be given at a meeting in June.

During the board meeting preceding the regular meeting there was a discussion of plans for encouraging voters registration before July 19 and for getting out a good vote at the primary election September 9.

Due to the number of items of unfinished business at the close of the meeting, it was decided to hold a league board meeting at the Y.W.C.A. on Thursday, May 29 at 2 o'clock.

Among those to receive degrees are Margaret Lowrey of New Castle, who will be graduated in the elementary field of Bachelor of Science in Education; and among the 21 to receive degrees in the Bachelor of Science in health education are: Raymond Brown, Alex Dutkin and Mary Louise Wheaton, all of New Castle.

An additional presentation will be made to Alex Dutkin when he receives the basketball and sportsmanship award of 1947 in memory of Joseph T. Lytle, class of 1944, for outstanding achievement in sports.

Inne Kovacs, a lecturer of International was the commencement speaker.

Baby foods were introduced to the groceries in 1929, and within six years the industry was selling at a rate of 3,000,000 dozen units annually. In 1946 the figure rose to 106,000,000 dozen units.

It has been estimated that there are approximately 12,000,000 illiterate people in the United States.

### Hunt For Missing Plane With 16 Persons Abroad

MANILA, May 23.—(INS)—President Manuel Roxas ordered a renewed search today for a Philippine government plane missing since Sunday with sixteen civilian and army officials aboard.

Searching Filipino and American planes had to start from scratch again after it was discovered that aircraft wreckage sighted on Mount Catanduanes was not that of the missing C-47.

Mount Catanduanes is on Mindanao Island in the Southern Philippines.

The plane, which is President Roxas' personal aircraft called "Lily Marlene," disappeared Sunday after taking off from Cotabato on its return flight to Manila.

Among those on board were Col. Edwin Andrews, chief of the Philippine Army Air Force, and a high-ranking judge, Francisco Zulueta.

## Britain Joins U.S. In Warning Soviet Neighbors

LAKE SUCCESS, N. Y., May 23.—(INS)—Britain joined the United States Thursday in warning the three Soviet-dominated neighbors of Greece against violating the United Nations charter.

The warning note was sounded in the Security Council's resumed hearings of refusal by Yugoslavia, Albania and Bulgaria to recognize the subsidiary Balkan "watch-dog" Commission.

Britain's deputy representative Valentine Lawford, in opposing Soviet Russia's move to clip the authority of the subsidiary group, described the Russian resolution as such an attitude as "fallowous."

Lawford solemnly reminded the council that while Greece had accepted the subsidiary group without contesting its status, her three Balkan neighbors placed obstacles in the way.

He added:

"Albania says she thinks there is no need for a subsidiary group. The council thinks differently, and the council's will must prevail."

Bulgaria indicates she will cooperate only on her own terms.

"Yugoslavia's attitude is more serious, since she is a member of the United Nations."

"I sincerely hope—in case the council rejects the Soviet resolution—that the three states will conform to the council's will and not insist on an attitude which will constitute a breach of Article 25 of the charter."

## Pennsylvanians Get Large Sums From Insurance In 1946

Total Of \$965,000 Paid In Insurance Benefits To New Castle Citizens During Year 1946

During the past year of 1946, citizens of Pennsylvania collected a total of \$290,600,000 or daily average of \$796,164 in life insurance policy benefits. It was revealed today in figures just released by the National Underwriter, a weekly insurance newspaper. Pennsylvania rated second in life insurance payments among all the states.

Philadelphia led the state in collections, with over \$7 million dollars being paid there, while Pittsburgh in second place received over \$2 million dollars. New Castle ranked 18th in receipts with a total of \$65,000 being paid out to policy holders or beneficiaries.

More than \$8,887,295 was paid out each day of 1946 by life insurance companies in the United States and Canada, according to the report. Payments by the insurance companies during 1946 increased \$126,633,193 over 1945.

The year 1946 was the biggest in the history of life insurance. More money was invested in life insurance than in any other previous year.

The insurance in force per capita in the United States is now \$1,268 or an increase of \$122 over 1945. In 1918 the per capita was only \$291.

## Will Start Drive For Memberships

New Castle branch of the National Association for the Advancement of Colored People, will launch their annual membership drive on Sunday afternoon, this week at the regular monthly mass meeting to be held at Union Baptist Church on Grant street.

Members of this organization are expected to attend in large numbers. R. Maurice Moss, executive Secretary of the Urban League of Pittsburgh will be the speaker for the occasion. Several vocal and musical numbers will be rendered.

A round table conference by the executive board of the branch has been called for 2 p.m. at the Elm street branch of the Y. W. C. A.

Several local civic and religious leaders have been invited to attend this conference, where matters of interest to the community will be discussed.

## Urge Removal Of Some Meters On N. Mill Street

Highway Traffic Safety Committee met Thursday in The Castleton hotel and adopted a recommendation which will be presented to city council which will ask the removal of parking meters on the west side of North Mill street between North and Falls street.

The recommendation will be made in order to have city council remove a bottle neck in traffic.

Samuel Mooney presided over the meeting which was attended by L. C. Dayton, president-elect of the Rotary club, and Al Garon, president of the Optimists club, and who were told that the Safety Committee would be pleased to receive any suggestions their clubs had to offer.

## Army Easing Out Wartime Officers

Promotion-Retirement System Weeds Out All But Regular Army Leaders

WASHINGTON, May 23.—(INS)—The Army has started to ease wartime officers out of the service before June 30 and receiving promotions or staying in with no hope of final promotion when they finally

go on inactive duty. It does not apply to officers with recent promotions, as they receive no terminal leave grade increase.

With promotions in the reserve components frozen, the offer gave many officers their only chance to

pick up a grade before returning to civilian life.

It also held out some monetary incentive, as officers receive a full pay during their terminal leave period.

An airline estimates that 10 percent of all passengers carried since the end of the war were babies. Bassinets have been installed on many flights, and a variety of canned baby foods are carried by the airliners.

### Croton Band Pleases Outdoor Audience At Honor Roll Benefit

Hundreds Of Croton Citizens Turn  
Out To Witness Program Of  
Band And Majorettes

Happiness reigned throughout the Croton sector Thursday evening, when hundreds of citizens of the area gathered on the school playground for the annual honor roll benefit.

The Croton grade school band and its accompanying snappy majorettes presented a program which thrilled every individual present in the audience. While the band playing under the baton of Mrs. J. W. Heikkinen was giving forth delightful music, the majorettes were going through their pieces bringing rounds of applause from the delighted audience.

The band which was organized by Professor W. A. Hoffmaster, present principal of the school, has in its

### Reports Made Of Work At Y.W.C.A.

Two Committees Sum Up Work  
Done During Past Year In  
Association

World Fellowship committee, with Mrs. Glenn Berry as chairman, and the Y. W. C. A. Round the World Reconstruction Fund, with Mrs. Roy Long as chairman, submitted their respective reports at the annual meeting of the Y. W. C. A.

Reports are as follows:

The World Fellowship committee has stressed during the past year the idea that rebuilding a new world should be an individual matter for each one of us and each one should find some part in it.

The committee planned the program of the All Association dinner. Each department of the Y. W. C. A. was represented in a pageant which was written by Miss Marguerite White. The pageant showed what each department had done to help the needy and suffering people all over the world. It also depicted the response which we had received from these people.

Reconstruction Fund

The Young Women's Christian Association in war-torn countries has been left in a very needy condition—buildings have been destroyed, leaders worn out from overwork, tasks too much to do alone without some outside help. The Y. W. C. A. of the United States, after a careful study of the requests from 30 countries decided to raise a fund of \$2,100,000 to help the Y. W. C. A. in those countries. Our quota was placed at \$1800, the fund raising campaign to be held in January. We set the opening date as January 9. Before that time we had two conferences with Miss Ethel Hiller, a national worker. Plans were completed along the line we have used for number of years in our membership gathering. Our campaign

### Result Of Brain Operation Will Now Be Observed

PITTSBURGH, May 23—(INS)—Millard Wright, 36-year-old convicted burglar who underwent a delicate brain operation to cure his criminal tendencies, is ready to leave the hospital.

Physicians admitted they did not know whether Wright's criminal urges had been eliminated by the operation—a pre-frontal lobotomy.

This would be determined, they said, either by psychiatric tests or observation of his behavior in freedom.

They emphasized the operation, in which the front part of Wright's brain was separated from the rest, was a surgical success.

Judge A. Marshall Thompson, who gave permission for the rare operation, will decide the next step in Wright's fight to rehabilitate himself.

The operation was performed by Dr. Yale David Koskoff, brain surgeon.

Wright, father of two, who requested the surgery, was awaiting sentence for a series of burglaries in Pittsburgh when he entered the hospital.

The operation was performed by Dr. Yale David Koskoff, brain surgeon.

# Franklin Wins Junior High Track Championship Meet At Struthers

**East Siders Get Sweet Revenge On Warren East High**

Franklin Edges Warren East 43 To 38 In Meet, Hill Turns In Great 440

**AUSTIN COWMEADOW LEAVING FRANKLIN**

Ben Franklin Junior High track team, gave their coach Austin Cowmeadow, a farewell present yesterday at Struthers, Ohio by winning the Western Pennsylvania-Eastern Ohio Junior High championship meet in which 22 schools participated, with a 43 to 38 total over their arch rivals Warren East.

Cowmeadow, who is leaving the East Siders to coach at New Castle High, said his team trailing 38 to 37 as the final event began, the mile relay, but the East Siders great relay team of Sam Webber, Deacon Pears, Baldy Hill and Marion Ordak. The boys turned in a record breaking 3.56 in winning the event that cinched the meet. Warren East did not place in the stars.

**Baldy Hill Stars**

Baldy Hill, Franklin speedster gave a great performance in the 440 yard dash lowering the meet record to .55.7 in a sensational race. Hill is a tireless performer and one of the real stars on the Franklin team.

Franklin grabbed four first places, two seconds, three thirds and one fourth place in the meet.

**Set Relay Mark**

The Franklin High 880 yard relay team turned in a record breaking performance in winning the event in the fine time of 1.40.6 minutes. The Franklin 880 yard team is made up of Al Burick, Charles Abramski, Tommy Blackwell and anchored by the great star "Bo" Wallace. Jimmy Theiss won another first for Franklin by high-jumping 4 feet 11 inches, a fine performance.

Franklin High won all three trophys offered, namely—the championship trophy, 800 relay and mile relay trophies. In addition Franklin won 11 out of the 18 gold medals offered first place winners. It was a splendid afternoon for Franklin High after trailing Warren East till the final event.

**Washington High Fifth**

George Washington High turned in a very creditable performance in the meet winning fifth place with only five boys entered, and being paced by a great star, Jimmy Altman, who finished second in the 100 and fourth in the broad jump. Bill Klee Jr. finished fourth in the 220-yard dash. Wynn, won fifth place in the broad jump, while the Washington 880-yard relay team ran third in the event with Klee, Paps, Altman and Conti running.

Washington High can feel proud of the five boys who took fifth place in the meet with such a small entry, and got 12 points.

**Wallace Gets 8½ Points**

**Hickory Victor Over Volant, 7-3**

Hickory A.C. made it three wins against an equal number of losses last night as they whipped Volant at the latter's field, 7-3.

Rubles pitched well for the winners, spinning a five-hitter, while Young went the route for Volant. The Hickory twirler whiffed 10 men.

The winners lost their second-sacker, Malley, in the sixth inning when he was injured stealing.

Tonight the Hickory-Volant teams will tangle again, this time at the Heights field in a postponed game play-off.

Score by innings: R. H. E.

Hickory ..... 0 0 0 0 1 7 8 2

Volant ..... 0 0 0 0 3 5 3

Batteries: Hickory—Rubes and Cook. Volant—Young and Wagner.

**ST. PAULS LEAD CHURCH GOLFERS**

St. Pauls church golfers, captain by Al Figuly, are on top of the league today with 20½ points as a result of the second night of the New Castle church league at the beautiful Castle Hills course. St. Pauls is second with 19 points. St. Pauls defeated Second U. P. last night 11½ to ½.

Medalist honors were split three ways last night with Fred Palmer, Bob Palmer and Teddy Lach all shooting sensational 36 cards, one under par on the back nine. Other low cards: Stan Bukowski 37, Ezx Palmer 38 and Ted Woodrow 40, all on the tough back nine layout. Low front nine scores were: Ev Patton 39 and George Sargent 39.

Standing of the league to date: St. Pauls 20½, St. Mary's 19, First U. P. 18½, Epworth Methodists 15, First Baptists 14, First Christians 11, First Presbyterians 9, Second U. P. 6½, Harbor-Highland 4½, Temple Israel 0.

**Legion Juniors Practice Saturday**

Thirty hustling young ball players greeted Coach Stan Witherspoon of the Perry S. Gaston Post All-Star Junior team at the practice session held on Thursday evening at Doshon field, and a good workout was held.

Another practice session has been called by Witherspoon for Saturday evening at 5 o'clock at the George Washington field, when it is hoped to get a fairly good line on the team which will represent the city in district competition throughout the summer.

Any youth 18 years of age or under is eligible to try out for the team, Witherspoon states.

**FONTAINE EXPECTS**

PHILADELPHIA, May 23.—(INS) —NBA Lightweight Champion Ike Williams' ring record holds no fears for Just Fontaine, Milwaukee power-hitter managed by Fritz Zivic.

At least, Fontaine, who meets the Trenton N. J. Flash in a 10-round non-title bout at the Arenas in Philadelphia on Monday, claimed today that he'd knock Williams out "in less than eight rounds."

**Columbus-Bronze Battle Tonight**

**First Showing For Johnson Bronze Jay-Bees, City Leaguers On Streak**

Manager Michael Diffley will take the wraps off his Johnson Bronze Jay-Bees baseball team at the E. & A. field tonight at 5:45 o'clock when the Bronzers have scheduled an exhibition game with the Christopher Columbus club of the city league.

Jimmy Tropea, new manager at the Columbus club, has the team on a winning streak, of five straight games in the City league, their latest achievement being a 5 to 0 shutout of the Lawrence Indies last night.

**Diffley Undecided**

Diffley would not reveal his line-up to the News, being undecided on positions, but this much is known, that the Bronzes have a powerful team lined up for the season at their new ball park. Saturday the Bronzes will play at Bessemer at 2:30 o'clock, EST.

The fans will see a good game at the E. & A. field tonight.

**Cardinals Trim Pirates 4 To 1**

**Only Game Played In Either League Thursday, Pollet Bests Highe**

ST. LOUIS, May 23.—(INS)—In the only game played yesterday, a night contest at St. Louis, the Cardinals resumed their winning ways by trouncing the Pirates, 4-1, with Howie Pollet besting Kirby Higbe. The Cards tied the count in the sixth when Al Schoenfeldt scored on Whitey Kurowski's infield out and forged ahead in the seventh with a three-run rally.

**East Brook High Splits Contests**

East Brook High school diamond team took an 8 to 2 decision from New Wilmington last night in an abbreviated five-inning game.

Smith of the Brookers fanned six and held the Greyhounds to four safeties while his mates jumped on McFee for eight hits, including a triple by Downing and doubles by Book and Michaels.

Tuesday the Shenango team edged the "Brooks" 8 to 7, with Rhodes taking over in the final inning when the Bilkowski lads staged a four-run rally. Shenango tallied five runs in one frame for the victory margin.

**BAPTIST WIN GAME**

The First Baptist team defeated the Central Presbyterians in a church softball game at Colonial field Thursday 13 to 6, with Weller the winning hurler, and McGuire the loser.

**Columbus-West Pittsburg, Slovak Club Win Games**

**GONET'S TRIPLE WINS THRILLER**

Gonet, the Columbus Club catcher, was the hero last night at the E. & A. field as a large crowd saw the Jimmy Tropea managed Columbus team blank the Lawrence Indies 5 to 0 with Fred Shaffer, veteran American Association hurler, in rare form, allowing but five hits to the 1946 champions. He fanned three men. Thornton was the losing hurler, granting seven hits and being relieved by Nickum. It was the first setback for the Indies.

**Wampum Gains In County Race**

**Legion Tramples Castlewood For Fifth Straight, 10-2; Hairhogger Winner**

WAMPUM, May 23.—Wampum's defending champs picked up another game on the County League pack here last night as they played off a postponed game, shellacking Castlewood, 10-2 for their fifth straight win.

Backing up a sparkling mound performance by young Joe Hairhogger, the champs smashed out a 13-blow barrage, shelling "Pud" Henderson and Houk.

Besides his four-hitter Hairhogger had the feature hit of the game, a well-spun home run. Nick Palagallo, Johnny Marshall, Emil Fontana and George Harper hit the ball hard for the winners. Sam Wellhausen had the big Castle hit, a double that drove in both the Henderson team's run in the fourth frame.

## Charles And Ray Garden Battlers For June 27 Date

Uncrowned Light-heavy King Hopes To Eventually Get Match With Louis

By LAWTON CARVER  
(International News Service Sports Editor)  
NEW YORK, May 21.—Ezzard Charles, the so-called uncrowned light heavyweight champion, is about to get a chance to prove his right to a place among the contenders for Joe Louis' heavyweight title. Jacobs' Beancounters who have seen the hard-hitting Cincinnati Negro in action insist he would be a cinch to beat Gus Lesnevich for the 175-pound crown, and they figure him an even money shot to take the heavyweights barring the way to a crack at the old man, Louis, himself.

**Meets Violent Ray**  
Charles will make his New York debut after a spectacular career elsewhere when he tangles on June 27 with Elmer "Violent" Ray, the former alligator wrestler from Florida.

In the meantime, Lesnevich will take on Melio Bettina, the Beacon, N. Y., southpaw, in a non-title tussle on May 23, with Bettina slated to clinch a place among the contenders. At the least, Bettina should point Lesnevich and might score a knock-out over the veteran with the tender eyebrows.

Jersey Joe Walcott is scheduled to tangle with Cleveland's Joey Maxim at Los Angeles in still another episode of this series of elimination bouts and that about winds up the heavyweight contention, except for Joe Bakst. The latter, an erstwhile coal miner around Kulpmont, Pa., currently is in Wales—visiting coal mines.

### Yankee Players Get Stiff Fines

Fine DiMaggio, Keller And Others For Refusing To Have Pictures Taken

NEW YORK, May 23.—(INS)—The New York Yankees management has levied fines ranging from \$25 to \$100 against six of its players for failure to participate in promotional activities sponsored by the Yankees.

Joe DiMaggio, star centerfielder, was fined \$100 and Charles Keller, another slugging outfielder, was assessed \$50 because they allegedly refused to pose for publicity pictures during the recent series with the Cleveland Indians.

Johnny Lindell and Aaron Robinson were fined \$50, and rookie pitcher Don Johnson and an unnamed player were fined \$25 each because they also refused to take a part in Yankee publicity plans.

The Yankee office answered all queries concerning the affair with a flat "absolutely no comment whatsoever."

Yankee players involved likewise refused to be quoted.

### Cloudburst Spoils Allegheny Tourney

MEADVILLE, Pa., May 23.—(INS)—A cloudburst which left the Meadville Country Club a soggy marsh Thursday forced cancellation of the sixth annual Allegheny College Invitational Golf Tournament scheduled for today.

H. Paul Way, director of Athletics, said the rainfall left the course in an unplayable condition and other nearby courses were in the same shape.

The tournament, booked for the first time since 1942, cannot be rescheduled, Way said, because of conflicting examination schedules at competing schools.

The tourney had attracted entries from Allegheny, Gannon, Geneva, Grove City, Thiel, Washington-Jefferson and Westminster.

**WARRIORS SIGN BROWN**  
Philadelphia Warriors of the Basketball Association of America, has signed Stanley Brown, 18, former Philadelphia high school star and last year a member of the Philadelphia Spas of the American Pro League.

**TOP GOLF MONEY WINNERS**  
Jimmy Demaret and Ben Hogan are showing the way to money winners among the pro golfers. Demaret has won \$13,569 and is shooting for a pot in the Philadelphia invitation tourney when began yesterday. Hogan is next with \$9,500.

## HERE AND THERE IN SPORTS' LAND

FIGHTERS travel nowadays in an auto, on a train or airplane but in the olden days a boxer, being bent in purse, used his feet to pedal along or took a freight. At least, this occurred once in the career of Jimmy Dunn, according to a chafest he held with Dave (Dy) James of Bell avenue, who handled him for several of his fights, including one with Harlem Tommy Murphy at Sharon. "I was booked to box Young Donahue at Arnold. The morning of the fight, James and I had 15 cents between us. We caught a freight train and rode to McKees Rocks. After getting off we caught another train and landed in Arnold. Both of us were hungry but James decided that as I had a fight that night, I had to eat, so he bought me two hamburgers and a cup of coffee with the 15 cents. After dinner, he took me outside and said: 'We're now going to the Hotel De Green.' He walked me to a plot of grass beneath a tree and remarked: 'Here's where you sleep until it is time to enter the ball.' Well, I knocked out Donahue and collected \$53. for my end. James and I ate up three dollars of the \$53 purse."

Report has it that Lefty Minner, formerly with the Dodgers, has been sent to Mobile in the Southern Association. Six Liberty high players of Bethlehem felt the wrath of school authorities. They were barred from the high school team for playing with an outside aggregation. . . . One of Penn's darsins is Benjamin Franklin, a direct descendant of Philadelphia's celebrated printer and proverb coiner of the same name, according to Hugh Fullerton, Jr. . . . Indications point to a swell Evening's Evenin' in Elwood City, at 8:45 D. S. T. Tuesday when Billy Pozzy battles Johnny Santelli of Canton, who has beaten Pozzy three times. Elkins Brothers Guy Elks and Ike Bell are scheduled to appear. . . . Jack McKinney, Beaumont, turned in the Texas league's first no-hit ball game Wednesday night, beating Shreveport, 6-0. . . . Al Hansher, Milwaukee, caught a 64-pound, eight ounce muskellunge on a small plug in Fabi lake, in the north of Wisconsin. . . . Mike Tresh, Chicago White Sox catcher, returned yesterday to the line-up after being out with a sprained ankle. . . . Senator Robert Taft of Ohio told Vincent Flaherty, L. N. S. correspondent: "Once a fellow told me that sports pages were important to any candidate for office. I didn't believe him, but I'm finally convinced. After my recent experience (Taft helped sponsor the Celebrities golf tourney for juvenile delinquency in Washington), I've decided that sports pages reach more readers than any other medium."

### Attendance Mark At Forbes Field Likely To Fall

PITTSBURGH, May 22.—(INS)—The Pittsburgh Pirates never have drawn a million fans into Forbes Field, their own ball orchard.

But the rejuvenated 1947 version of the club Barney Drefuss started back in 1940 already was "way over the quarter-million mark as it started after that first million."

In 14 games this season, the Bucs have drawn a total of 273,524 paid admissions, including Tuesday night's crowd of 37,173 for a game with Boston.

And they have 63 games left to play at home—six of them Sunday doubleheaders and 18 of them night games.

In addition to the total of paid admissions, 20,554 ladies' day and children day fans can be added.

The average to date is 19,538 per game—and off that average a total of 1,504,349 fans would spin the roulette at Forbes Field this season—if the Pirates continue to draw.

Henry L. Brooke Will Race With New Talbot Car, Worth \$20,000; Arrives Today

NEW YORK, May 23.—(INS)—Henry L. Brooke, one of England's leading amateur drivers, was awaiting the arrival of his \$20,000 special racing car before proceeding to Indianapolis for the Memorial 500-mile speedway race against the best of the American field.

Brooke landed in New York by plane from London, accompanied by mechanic Reginald Morris.

The car, a six-cylinder, rear-drive Talbot, was due today aboard the liner Musquiano. The Talbot is generally rated as England's finest automobile.

Broke said on arrival that he was looking forward to giving his special "job" its first workout on the banked concrete of Indianapolis' famous track.

The tourney had attracted entries from Allegheny, Gannon, Geneva, Grove City, Thiel, Washington-Jefferson and Westminster.
